NORTHLAND COMMUNITY AND TECHNICAL COLLEGE

3150.1P CREDIT FOR PRIOR LEARNING – EXTERNAL ASSESSMENTS

The procedure defines the requirements for evaluating and granting credit to a student admitted to Northland Community & Technical College (NCTC) for successful college-level learning gained through external assessments.

Methods of assessing credit for prior learning – external assessments include:

CREDIT BY EXAMINATION

- Nationally recognized examinations mandated by Minnesota Statute and Board of Trustee policy
 - 1. CLEP (College Level Examination Program) SEE Part A
 - 2. AP (Advanced Placement) SEE Part B
 - 3. IB (International Baccalaureate) **SEE Part C**
- Other nationally recognized examinations;
 - 1. NOCTI (National Occupational Competency Testing Institute) SEE Part D
 - 2. Thomas Edison College Examination Program (TECEP)
 - 3. New York University Foreign Language Proficiency (NYUFLP)
 - 4. Excelsior examinations **SEE Part E**
- ACE endorsed examinations;
 - 1. Straighterline SEE Part F

PART A: CLEP

CLEP stands for College Level Examination Program which is offered by the College Board. It offers students the opportunity to obtain recognition for college-level achievement in five general areas as well as numerous subject areas. The General Examinations measure material usually covered in the first two years of college and often referred to as general education requirements. The Subject Examinations measure achievement in specific college courses and are used to grant exemption from and credit for these courses.

A CLEP Subject Examination may not be taken to establish credit for a course in which a student has already earned credit in a higher level sequential course. A Subject Examination may not be used to establish credit in a subject which the student has previously failed.

Subject Examinations, minimum scores, credits, and NCTC course equivalent:

Accounting (Prin)	50	4	BUSN 2221
Algebra (College)	50	3	MATH 1110

Spanish I & II (Interm) 63 12	SPAN 2101 & 2102
Trigonometry 50 3	MATH 1106
Western Civilization I 50 4	HIST 1101
Western Civilization II 50 4	HIST 1102

NOTE: Acceptable scores may vary among colleges and universities.

PART B: ADVANCED PLACEMENT

Advanced Placement (AP) is a program of the College Entrance Examination Board through which secondary students complete college-level courses in high school that are designated as AP and earn college credits by demonstrating a specified level of performance on AP examinations. The AP examinations, which are scored on a 5-point scale, can be taken by any student who feels prepared by independent study or other preparation as well as by students who complete AP courses.

NCTC will grant credit for AP examinations according to the following:

- 1. A score of 3 is the minimum score required for credit to be awarded.
- 2. The same amount of credit will be granted for scores of 3, 4, and 5.
- 3. Credit will be given for a specific college course if a test covers substantially similar material. If the test material does not match an existing course, students will be awarded up to 4 semester elective credits.
- 4. Students may petition for elective credits to meet certain general education requirements for an Associate Degree.
- 5. There is no limit to the total number of credits a student can earn through AP courses and tests.

PART C: INTERNATIONAL BACCALAUREATE (IB)

The IB program is an internationally recognized program through which a secondary student completes a comprehensive curriculum of rigorous study and demonstrates performance on IB examinations. A student may present a full IB diploma or a certificate recognizing specific higher level or standard level examination scores.

Higher level IB examinations assess work for higher level courses which generally involve significant

breadth and depth of learning. They represent a recommended 240 teaching hours. Standard level IB examinations assess work completed at a narrower or less rigorous level than the higher level examinations. They represent a recommended 150 teaching hours. The IB diploma covers six subjects and is awarded to students who achieve specified scores on three higher level and three standard level examinations or four higher level and two standard level examinations.

IB Diploma:

Students who attain an International Baccalaureate (IB) diploma shall be granted six (6) lower division course credits for scores of 4 or higher on each Higher Level IB examinations and two (2) lower division course credits for scores of 4 or higher on each Standard Level IB examination.

Individual IB examinations:

Higher level examinations. A student shall receive three (3) or more course credits for scores of 4 or higher on individual Higher Level IB examinations.

Standard level examinations. A student shall receive two (2) or more credits for scores of 4 or higher on individual Standard Level IB examinations.

PART D: NOCTI (NATIONAL OCCUPATIONAL COMPETENCY TESTING INSTITUTE)

NCTC shall grant credit to students who have met or exceeded national average scores on the National Occupational Competency Testing Institute (NOCTI) assessments for specific skill sets in specific program areas. It is the student's responsibility to provide the documentation to support their request.

PART E: EXCELSIOR EXAMINATIONS
