

## **Medical Cannabis Notice**

Although the Minnesota Medical Cannabis Law and program allows seriously ill Minnesotans to use medical marijuana to treat certain conditions, the possession and use of marijuana remains illegal under federal law, including the Drug-Free Schools and Communities Act, the Controlled Substances Act, and the Campus Security Act, and Board Policy 5.18 Alcoholic Beverages or Controlled Substances on Campus. Therefore, the use, possession, production, manufacture, and distribution of marijuana continues to be prohibited while a student is on college owned or controlled property or any function authorized or controlled by the college.
