Building Futures ... Together

NORTHLAND COLLEGE
Your college experience lasts a lifetime. It gives you the opportunity to learn, make lifelong friendships, and prepare for your future.

Northland Community and Technical College students are as diverse as their interests. Many students are recent high school graduates, some are employees interested in expanding or updating their skills. Some are taking courses for personal enrichment. Others are getting the education they never got after high school.

Whatever your goal, Northland offers affordability, flexibility, and an opportunity for success.

“The thing I’ve learned most is leadership ... when you go into the ambulance and you’re in charge of the call and you just have to step up and go out of your comfort zone and be a leader.”

Lindsay McCurdy
Devils Lake, ND
Paramedicine Program

Northland Community and Technical College is accredited by The Higher Learning Commission and is a member of the North Central Association.

Northland is a member of the Minnesota State Colleges and Universities System.

More than the Classroom

College isn’t just lectures, papers and reading. At Northland, you’ll often learn in a hands-on setting. Race to the scene of an accident to perform life-saving first aid. Help a child learn to read. Give a professional therapeutic massage. Build a robot.

In Northland’s renowned Allied Health programs, students work in hospitals, clinics and nursing facilities to receive firsthand training. In fact, Northland is ranked 26th in the nation among two-year colleges in the number of Associate degrees granted in Health Professions and Related Sciences.

Through Northland’s Liberal Arts program, students can complete their Associate in Arts degree. The program includes the first two years of most bachelor’s degrees and is designed to transfer to a four-year institution.

Be Somebody ... at Northland

We know that every student brings unique skills and talents to our college.

At Northland, you can become the person you want to be. Instead of blending into the crowd, you can be involved in what makes you ... you!

Take the stage in a musical, get involved in student government, or play intramural sports.

Lead a class discussion, write for the college newspaper, or be on the air at Pioneer 90.1 FM.

However you decide to get involved, you'll create a network of friends to last a lifetime ... and learn what you need to know to succeed.

“I came to Northland to get a fresh start. My work in athletics and academics helped me obtain a degree and scholarships to move to the next level. My education is very important to me and my family. The coaches, teachers and staff helped me reach my goals.”

Northland: Home of Pioneer Athletics

Northland is a leader in promoting athletics. Our teams participate in numerous state, regional and national competitions. The Northland athletic programs have a long tradition of excellence. Our teams are recognized as an important part of the college experience.

Northland is a member of the National Junior College Athletic Association (NJCAA) and the Minnesota College Athletic Conference.

Men's Football
Women's Volleyball
Men's Basketball
Women's Basketball
Men's Baseball
Women's Softball

Athletic facilities are located on the Thief River Falls campus and are open to participation from all qualifying Northland students. Both campuses also host a number of intramural sports and activities.

“Northland is close to home and very affordable. It's a friendly, welcoming, safe environment. I participate in volleyball, basketball and softball. I'm having the time of my life! There's nothing better than excelling in school and competitive team activities all in the same year.”

Shawna Rogalla
Thief River Falls, MN

Get Involved: The College Experience

Students who get involved in clubs and activities while enrolled in college courses have greater success in their studies and in their careers. Northland provides countless opportunities for students to get involved in leadership, decision-making and service learning ... while meeting new people, making new friends and having fun.

Who’s Who Among Students of America

“The reason I chose Northland was for the convenience of the location and for the one-on-one that you have with your instructors ... the small classes and the affordability. And I feel that the cardiovascular invasive technology program enhances the quality of life for those we serve.”

Victoria Lewis
Park River, ND
Cardiovascular Invasive
Soar.

Getting Started

1. Visit Northland or go online at www.northlandcollege.edu

2. Fill out the application. Submit it online or print and mail the form back to the campus of your choice. A $20 nonrefundable application fee must be included with your application.

3. If you do not have internet access, contact us and we will be happy to mail you an admissions packet.

4. Provide Northland with an official copy of your high school transcript or GED, all official previous college transcripts, and your immunization records.

5. File for financial aid by completing the financial assistance packet, online at www.fafsa.ed.gov
