

TEST OUT

Students who feel that they have gained knowledge and/or experience parallel to a particular course and are currently enrolled in a program leading to a diploma or degree are eligible to apply for Test Out. Test out options may not be available for all courses.

If a student intends to challenge a course that they are registered for, the Test Out process must be completed and the form submitted to the registrar's office within the first five days of the semester. Credits earned through test out may not transfer to other institutions.
