

NORTHLAND COMMUNITY AND TECHNICAL COLLEGE

2020 ADMISSIONS POLICY

Northland Community and Technical College is committed to open admissions with the following required minimum standards:

- The basic requirement is a high school diploma, a standard adult high school diploma, or an equivalent high school diploma certificate, such as General Education Development (GED) certificate as recognized by the U. S. Department of Education.
- A person who does not have a high school diploma or its equivalent and intends to enroll in an eligible career pathways program may be admitted if that person demonstrates passing scores on the approved Ability to Benefit Test (ATB).
- Admission to Northland does not guarantee admission to college-level courses, as provided for in Policy 3340 Assessment for Course Placement. Admitted students may enroll in courses that do not have a reading, writing, or mathematics placement score or prerequisite requirement.
