# How to install the Zoom client and sign in for the first time.

1. Go to the following website:  https://minnstate.zoom.us

2. At the bottom of the page click **Download Client**.

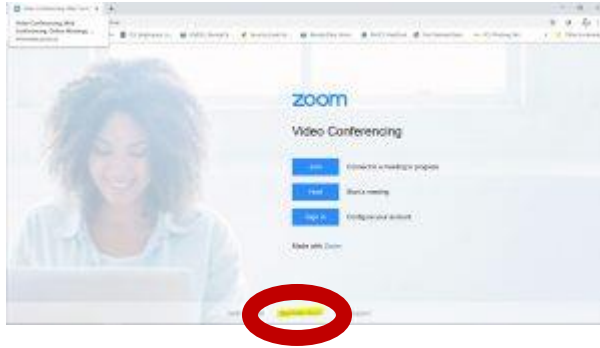

3. This will open the Download Center, under Zoom Client for Meetings -- click **Download**

4. The download file will appear in the bottom left corner -- Save and run the file.
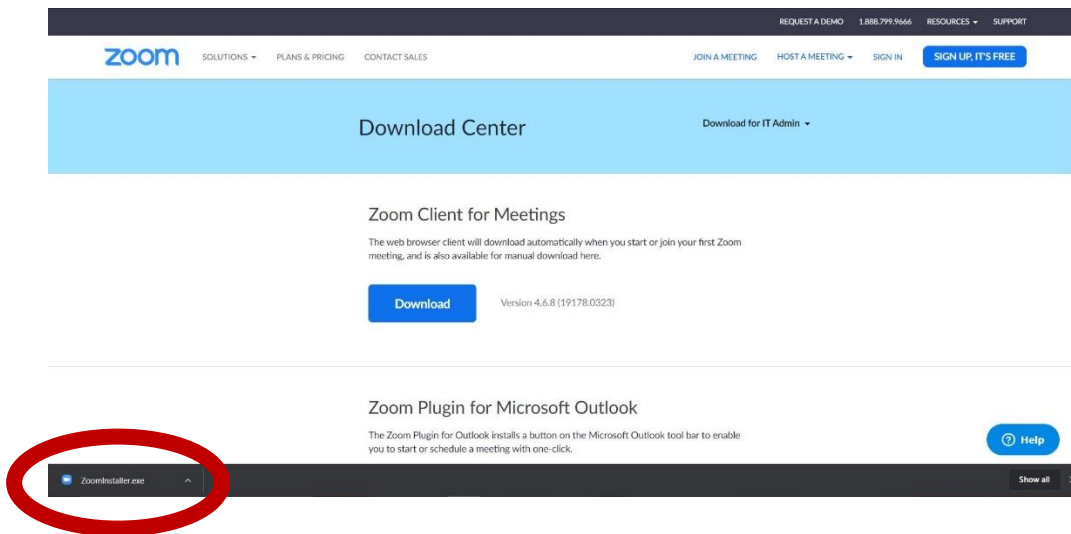

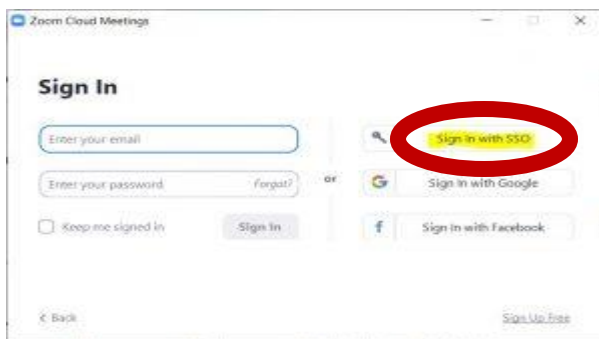

5.  When a pop-up window prompts the question –

Do you want to allow this app to make changes to your device?

Click **YES** button

6.  Then click **Sign In**.

6.  On the Zoom Sign in screen, select **Sign in with SSO**.

7.  On the Sign in with SSO dialog box, type **Minnstate** in the Company Domain box and then click **Continue** button**.**

8.  A browser window will open and you will be prompted to type your **StarID and StarID password**. Click the **Sign on** button.

## Sign on with your StarID

**Sign onto Zoom**

StarID

kw3553th

Password

••••••••••••

Sign on

**Reset password**
