978.488 Sta	Estes, Nick, ed.	Standing with Standing Rock: voices from the #NoDAPL movement
<i>Fiction</i>		
Fic Hel	Heller, Peter	The river (Canada, Northern; Fiction – Action & Adventure)
<p>"Wynn and Jack have been best friends since freshman orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddles and picking blueberries and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. When they hear a man and woman arguing on the fog-shrouded riverbank and decide to warn them about the fire, their search for the pair turns up nothing and no one. But: The next day a man appears on the river, paddling alone. Is this the man they heard? And, if he is, where is the woman?"</p>		
Fic Wri	Wright, Stephen	Processed cheese (Fiction/Satire)
<p>"A bag of money drops out of the sky, literally, into the path of a cash-starved citizen named Graveyard. He carries it home to his wife, Ambience, and they embark on the adventure of their lives, finally able to have everything they've always thought they deserved: cars, guns, games, jewels, clothes - and of course sex, travel, and time with friends and family. There is no limit except their imagination and the hours in the day, and even those seem to be subject to their control. Of course, the owner of the bag is searching for it, and will do whatever is necessary to get it back. And, of course, these new riches change everything -- and nothing at all."</p>
