I understand the following:

- I am responsible to repay this loan.
- I may borrow from this program only once per term.
- I plan to make repayment with current term financial aid funds, I have the appropriate paperwork completed with the financial aid office. Work study checks are not considered a potential form of repayment.
- If I owe repayment on an emergency loan, I will not be able to register for classes in subsequent terms.
- Unpaid amounts owed to NCTC will be turned over to the Minnesota Department of Revenue and may be deducted from any state tax refunds for which I am eligible.
- Final loan eligibility determination is based on several factors including, but not limited to, enrollment status and previous loans that have not been repaid. This loan application may be denied if I do not meet eligibility requirements or if any of the above information is incorrect.

**I hereby agree and consent that NCTC may deduct the amount due from any funds for which I am eligible.**

## Marvin Lumber Loan Guidelines

### Amount

- Students may borrow a maximum of \$300.
- Students should be encouraged to borrow only the amount they actually need, not the full \$300 just because it is available.
- A \$5 finance charge will be added to all loans regardless of the amount of the loan.
- Students may borrow from the Marvin Lumber Loan program only **once** per term.
- Students may pick checks up in the Business Office.

### Processing

- Applications will be collected by Rocky Ammerman, Lisa Bottem or Kelsy Blowers.
- Loan funds **will not** be disbursed prior to the first day of the term.
- Loans will not be processed after aid has been disbursed for the term.
- Students may not borrow from the Marvin Lumber Loan program with the intent of repaying the loan with future term financial aid funds.
- Checks for loan applications submitted to the business office by 3 p.m. will be ready the following day under normal circumstances.
- The Business Office will verify eligibility. The following are examples of situations when students may be denied Marvin Lumber Loans:
  - Student already owes NCTC money for tuition, books, previous Marvin Lumber Loans, etc.
  - Student is not enrolled

### Student Guidance

- Reasonable attempts will be made by NCTC staff to insure that the student has the means to repay the loan. ***Students planning to make repayment with current term financial aid funds must have appropriate paperwork completed with the financial aid office.***
- Information regarding budgeting and related financial issues will be obtained and shared with students applying to use the Marvin Lumber Loan program.
- Other agencies students may be referred to for assistance include the following:

○ Social Services	681-2880
○ Food Shelf	681-4708
○ HUD Housing	(218) 637-2431
○ WIC	(800) 223-1591 or (218) 874-7845

Adjustments to these guidelines may be considered under extreme extenuating circumstances. Decisions to approve requests that deviate from these guidelines will be made by a committee consisting of Gerry Schulte, Michelle Bakken, Rocky Ammerman, Lisa Bottem and Kelsy Blowers.
